

FALL IN LOVE WITH SPERRY

Well, hello there

Here at PapaKåta, we've been swept off our feet by an American beauty.

Gracing many a Hamptons wedding and party and loved by US style-setters Martha Stewart and Style Me Pretty, Sperry tents are hot news on the other side of the pond.

With schmoozing to embarrass Dave and Obama, we've worked the Special Relationship and are over the moon to have the exclusive rights to bring these gorgeous tents over to good old Blighty. We hope you fall in love with Sperry as much as we have.

The PapaKåta team.

A timeless celebration space

Like a perfect cross between the Gatsby glamour of Daisy Buchanan, and the Downton refinement of Lady Mary Crawley, Sperry tents ooze a timeless, graceful elegance.

Hand-crafted in Massachusetts, a sophisticated mix of oyster hues and subtle geometric design details together embellish the simplicity of the crisp sailcloth. Add nothing, or dress to the nines with festoon lights, lanterns, nautical accents or pops of colour to make your perfect style statement.

As guests arrive to the sight of whimsical flags fluttering in the wind, memories will start being created. Light floods in through the open sides, making the most of beautiful views, which can be dropped to weather-proof your special event. And as the sun goes down, uplights illuminate the iconic tent curves and peaks, creating breath-taking silhouettes that will stay in people's minds for years to come.

Each and every Sperry tent is individually crafted from hand-sewn panels of authentic sailcloth and hand-milled pine tent poles. The magic happens in the original beamed barn behind the Sperry family house in Massachusetts. All overseen by Grand Papa Sperry!
