RAISE A GLASS

Much more than a drinks dispensary, a bar creates a focal point for your guests to mingle and unite. All handcrafted and bespoke to PapaKāta, we have options to suit all event sizes and atmospheres.

For cosy understated rustic chic consider the Wine Barrel Bar complemented by matching Wine Barrel poseur tables - the perfect plinths for glamorous cocktails and florals. For a more intimate event consider our Reclaimed Oak Bar or for larger gatherings let our down lit Circular Oak Bar provide a central statement feature.

HANGING ELEMENTS

Create the ultimate floral showstopper from our range of hanging floral hoops. Suitable for both the Tipis and Sperry Tents and available with a pulley system for ease of dressing by your florist of choice.

Alternatively, and for a more linear design, situate our Floral Beam, Floating Globe Grid or choice of Wooden Swings (with or without Festoon Lights) above seated guests. These will denote the seating area and give an added decorative lift without taking up valuable table space.
